Punkt 8: Orientation on updated rules - 15 minutes

The legal department has during the spring facilitated consultation processes with the study boards as consultation partners. The hearings concerned the following RUC-rules:

1. *Guidelines for the use of generative artificial intelligence in examinations* - effective from Autumn 2025
2. *Regulations on disciplinary measures against students at Roskilde University* - Approved 030725
3. *Fællesregler for behandlor- og kandidatuddannelser* - godkendt af rektor den 18. august 2025
4. *Fællesregler for masteruddannelser på RUC* - godkendt af rektor 18. august 2025

The rules are now approved by rector and will be made available on study.ruc.

What

- The Board of Natural Sciences only had comments to 1) Guidelines for the use of GAI. The secretariat will orientate the board on what inputs the board has been met/not met.
- If interested - you find the updated rules attached

Punkt 9: Orientation on the upcoming process on the development of the 2028 master programme - 20 minutes

The development of the 2028 master programmes will take place in accordance with commissions approved by the university management, and take place in working groups approved by the university management as well.

IF the material is available before the meeting we will look into it and focus on study board and student -involvement.

Punkt 10: Securing student representation in the study board - 20 minutes

What:

The board will discuss how to make sure that students are well represented in the study board during the whole election period without being depending on extra elections.

One way of doing this is to make sure that both a member and an alternate is elected for each programme in the autumn elections, so that alternate can take over if/when the member steps out.
